1. On 27 July 1950, Yugoslav military maneuvers were taking place in Hercegovina, centered around the city of Mostar. All branches of the Army were taking part in these exercises, besides the Air Force and parachutists.
 2. At Subotica the existing airport is being enlarged. An Air Corps training school at Rama is currently training both men and women pilots. The school was recently inspected by Air Corps Colonel Sveta Nesovic who found the training satisfactory. A new hangar is being constructed at the airport of Daruvar. Several emergency landing fields are being built near the Sava River along the Belgrade-Zagreb railroad.
